Have you heard the exciting news?

Beginning September 1, Cain Center for the Arts will assume operations of the Cornelius Arts Center. Make sure you are subscribed to their newsletter at www.cainarts.org to receive updates on classes, schedules, and special events!

The Cornelius Arts Center is a teaching studio and does not support production potters. Works made outside of the center are not permitted and will not be fired. Shelving is limited and will only be assigned to those registered in an instructional ceramics class. Most adult programs require students to purchase supplies and tools. Supply lists are provided upon registration.
